

Certificate

Nr. 542/26

We hereby certify the compliance of the product

„eufy“

provided by Anker Technology (UK) Ltd. with the criteria catalogue ePrivacyApp of ePrivacyseal GmbH.

Substantial testing results (as an excerpt from the detailed evaluations):

- 1) The tested app complies with the criteria catalogue "ePrivacyApp" of ePrivacyseal GmbH (2021).
- 2) The encryption of incoming and outgoing data has been checked. It is in compliance with the criteria catalogue "ePrivacyApp" of ePrivacyseal GmbH (2021).
- 3) If Tracking Cookies and Ad-ID's are used, the user is informed or can object to this. The legal admissibility has not been checked in this context.
- 4) In the opinion of ePrivacyseal GmbH, the data security requirements within the scope of the assessment and according to the criteria catalogue "ePrivacyApp" of ePrivacyseal GmbH (2021) have been fulfilled.

Anker Technology (UK) Ltd. is entitled to use the privacy seal "ePrivacyApp", awarded by ePrivacyseal GmbH, for the below-mentioned version of the App.

Operating System	Version	Inspection date
iOS	6.0.60	29/07/2026
Android	6.0.51_26722	29/07/2026

Period of validity: 28/04/2026 - 27/04/2027

In addition, the licensing conditions of ePrivacyseal GmbH shall apply.

Hamburg, 26 August 2026

Prof. Dr. Christoph Bauer
CEO
ePrivacyseal GmbH
